The Honorable William P. Rogers  
The Secretary of State  
Washington, D.C. 20520

Dear Mr. Secretary:

I share your conviction of the priority of interdiction of illicit drugs destined for the United States. The Central Intelligence Agency will be pleased to cooperate with the newly designated Executive Director of the Cabinet Committee, William J. Handley, as it did with his predecessor, on all matters appropriate to CIA's charter pertaining to foreign intelligence information. Our representative to the Working Group will continue to be [redacted]
